

December 2008

# Macon Street closed from Levee Road to Bedford Avenue through summer 2009

## WHAT

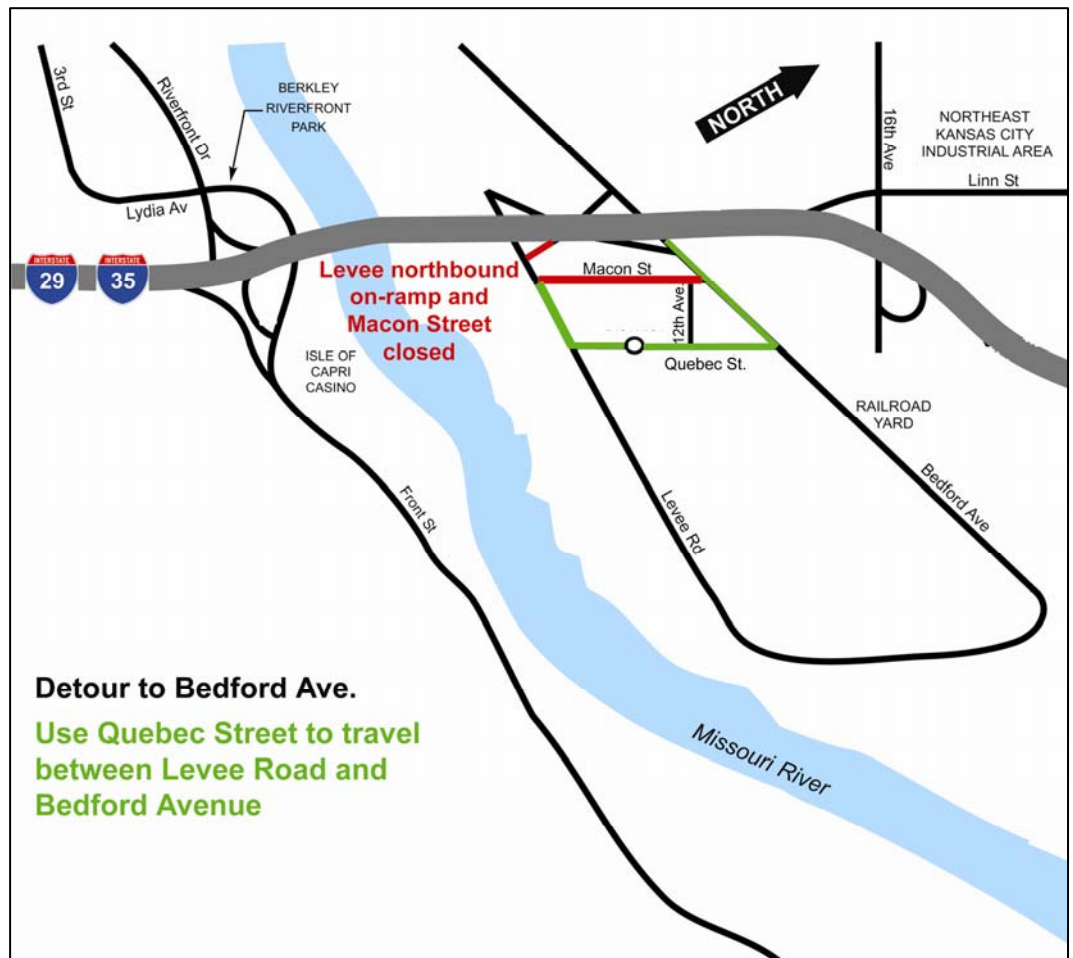

The section of Macon Street from Levee Road to Bedford Avenue is now closed.

## WHY

Crews will be relocating utilities, building retaining walls and rebuilding the southern portion of Macon Street to move the roadway slightly east of its current alignment.

## DETOUR ROUTE

Motorists should use Quebec Street to travel in between Levee Road and Bedford Avenue within the Paseo Industrial District (see map below).
