All Route 210/Armour Road Ramps at I-29/35 to Open Tomorrow
All Interstate 29/35 Lanes, Ramps to Open Six Months Ahead of Schedule

NORTH KANSAS CITY, Mo. – All on- and off-ramps at Route 210/Armour Road and Interstate 29/35 will open tomorrow prior to peak evening travel. Ramps to open include westbound Route 210/Armour Road to northbound I-29/35; westbound Route 210/Armour Road to southbound I-29/35; eastbound Route 210/Armour Road to northbound I-29/35; and northbound I-29/35 to eastbound or westbound Route 210/Armour Road.

“North Kansas City businesses and residents have patiently waited for these ramps to reopen,” said kcICON Project Director Brian Kidwell. “MoDOT and Paseo Corridor Constructors are working to keep our promise to have all I-29/35 lanes and ramps open by the end of this year, six months ahead of schedule. We’d like to thank everyone in North Kansas City for their cooperation during the reconstruction of this interchange.”

All construction activities are weather dependent and subject to change. Updated lane closure information for the kcICON Project can be found on the project’s Web site at www.kcicon.com or by calling the information hotline at 816-841-8888.
