WB Armour Road On-Ramp to NB I-29/35 to Close Wednesday

NORTH KANSAS CITY, Mo. – The on-ramp from westbound Mo Rte. 210/Armour Road to northbound Interstate 29/35 will close Wednesday, July 14, 2010. This ramp will be rebuilt to tie-in to the new portion of Interstate 29/35, and scheduled to reopen in December 2010. The marked detour route will be MO-1/Vernon Street/Prather Road/Antioch Road to southbound Interstate 35 to northbound Interstate 29.

The remaining ramp reconstruction in the Armour Road interchange is scheduled to be complete by the end of 2010. This new interchange will feature longer, wider ramps to accommodate more vehicles, and will operate more efficiently than the previous cloverleaf design.

The peak of construction for the kcICON Project will be this year, impacting motorists who travel the corridor. All construction activities are weather dependent and subject to change. Updated lane closure information for the kcICON Project can be found on the project's Web site at www.kcicon.com or by calling the information hotline at 816-841-8888.
